ENGLISH LANGUAGE LEARNING (ELL) HEALTHCARE PATHWAYS

- Phlebotomy
- Certified Nursing Assistant (CNA)

Prepare for a career as a Phlebotomist or Certified Nursing Assistant with paired AESL classes to support your English language skills. Successful completion of the program qualifies students to apply for employment.

ELIGIBILITY:

To qualify, students must meet the following requirements:

- Have a Social Security number or ITIN number
- CASAS score of 230 or higher
- Age: 18 years or older
- Identify as an English Language Learner

CONTACT:

For more information, contact **Sonja Wyche** swyche@saddleback.edu • 949-348-6524

Please note your interest in the program by filling out this form.

The Program Coordinator will reach out to you with more information:
